

Assistant Golf Course Superintendent – Santa Barbara Golf Club, Santa Barbara CA

Are you looking to advance in your career? Would you like to be an integral part of the leadership team at Santa Barbara Golf Club with duties that help support the success of the property and the experience of our guests? Would you thrive in a role where you could use the latest innovations in technology and science in the field of golf course planning and maintenance to help produce high end results? Are you dedicated to the environment and driven to find creative solutions to preserve and protect it? If you are great at developing relationships and managing people to reach their fullest potential and the solid technical acumen and ability to help drive “green initiatives” for our property, we have the opportunity for you!

FACILITY INFORMATION: Santa Barbara Golf Club is a well-manicured, 18-hole public facility that hosts 57,000 to 60,000 rounds per year. The greens are poa/bent, tees hybrid bermudagrass/kikuyugrass and fairways/rough are kikuyugrass. The golf course has recently completed several capital improvement projects including construction of a new practice facility and has an upcoming bunker renovation in 2019. Santa Barbara Golf Club is managed by CourseCo Inc.

POSITION PROFILE:

The Assistant Superintendent, under the supervision of the Superintendent, provides additional leadership to the Golf Course Maintenance department. This position is responsible for assisting the Superintendent in the management of the daily activities of the golf course maintenance staff including providing supervision, training and development to the course workers and maintenance staff. Additionally, the Assistant Golf Course Superintendent will aid in keeping all equipment in an efficient, operable, and safe condition and will help to assure that the department and all employees abide by the company safety program guidelines. This position assists the Golf Course Superintendent and the General Manager in the successful growth and operations of Santa Barbara Golf Club.

QUALIFICATIONS: A 2-4 year degree in Turf or related field or a Turfgrass/Landscape maintenance certificate preferred.

Experience: 2 years with supervisory experience a plus. Experience in golf course product application and water management. Experience with Rainbird irrigation system preferred. Spanish speaking a plus. Microsoft office and excel skills also preferred. Must be a self-starter with good troubleshooting skills and have the ability to self-evaluate.

Special: Ability to obtain a California QAC or QAL pesticide license within 6 months of employment.

Schedule: Early mornings to mid-afternoons Monday-Friday. Early mornings on weekends. Every other weekend off.

Job Skills: Following is a non-inclusive list of desired skillset for this position.

- Ability to coordinate and perform product application
- Water Management
- An understanding of agronomics related to plant health and soil management
- An understanding and commitment to Environmental Management
- Mathematic, budgetary and computers skills
- Ability to perform golf course maintenance operational tasks
- An understanding of golf course equipment operation and repair
- Ability to manage diverse employee population

COMPENSATION/BENEFITS:

Annual Salary: \$50,000

Benefits include: Shared health plan, GCSAA dues, vacation, sick leave, cell phone expenses and approved education. Uniform and meal provided.

POSITION AVAILABLE:

November 1st, 2018
